

Fresh off the decks for 2014, R.M.G are proud to present...

ROCKWELL XL

"MUSIC OVER EVERYTHING"

(M.O.E)

R.M.G are proud to present **Rockwell XL "Music Over Everything}" (M.O.E)"**, the lead single from his forthcoming E.P.

Written and produced by **Rockwell XL** himself with support from **Stefano Moses, Allison Grant** and **Sian Punnet** on vocals, the song is set against haunting pads and a warm bassline, all while **Rockwell XL** delivers another smooth yet poignant banger in an elegant ode to music, depicting the dedication and sacrifices needed to make it.

The track is accompanied by a quality movie-esque visual, further adding to its element. Produced by award-winning production outfit, **Luti Media**, who have worked with the very best in the game, including **One Direction, Nicki Minaj** and **Drake**, the official video is directed by **Director 44**, a current understudy to **Director X**, whose clients include **Nicole Scherzinger, R Kelly** and **Justin Bieber**.

Respected by his peers with years of essential experience in the industry as a man of many talents, be that a producer, songwriter, engineer or all-round musician, **Rockwell XL** has worked with the likes of **Jadakiss, Horace Brown, Lemar** and **Kele le Roc** to name a few, and is now ready to step out from behind the scenes and show the world why he has gained such admiration, respect and love for his work.
